Cultural impact

nne pharmaplan®

Culture is...

...an integrated pattern of human knowledge, belief, and behaviour that depends upon the capacity for symbolic thought and social learning

...the set of shared attitudes, values, goals, and practices that characterises an institution, organisation or group

- Impact on personal and professional life
- Language
- Prejudices
- Cultural differences should be used in a positive way!
- Culture in a country vs. company culture

Winner of the ISPE award
Company of the Year 2008
